

West Hills Athletic Club Parking Lot Construction

Weather permitting, construction will begin on the parking lot Monday, May 1. The project will take approximately two weeks. Understanding the need to get the project done as quickly as possible the construction company will be working six days a week, 12–14 hour days. The club will remain open and all programming will run throughout the process. If at all possible, consider adjusting your schedule to avoid peak times. We have arranged parking for staff off-site to open up as many spots as possible. Unfortunately, parking is not permitted on 11th St. or W Michigan.

Peak times are:

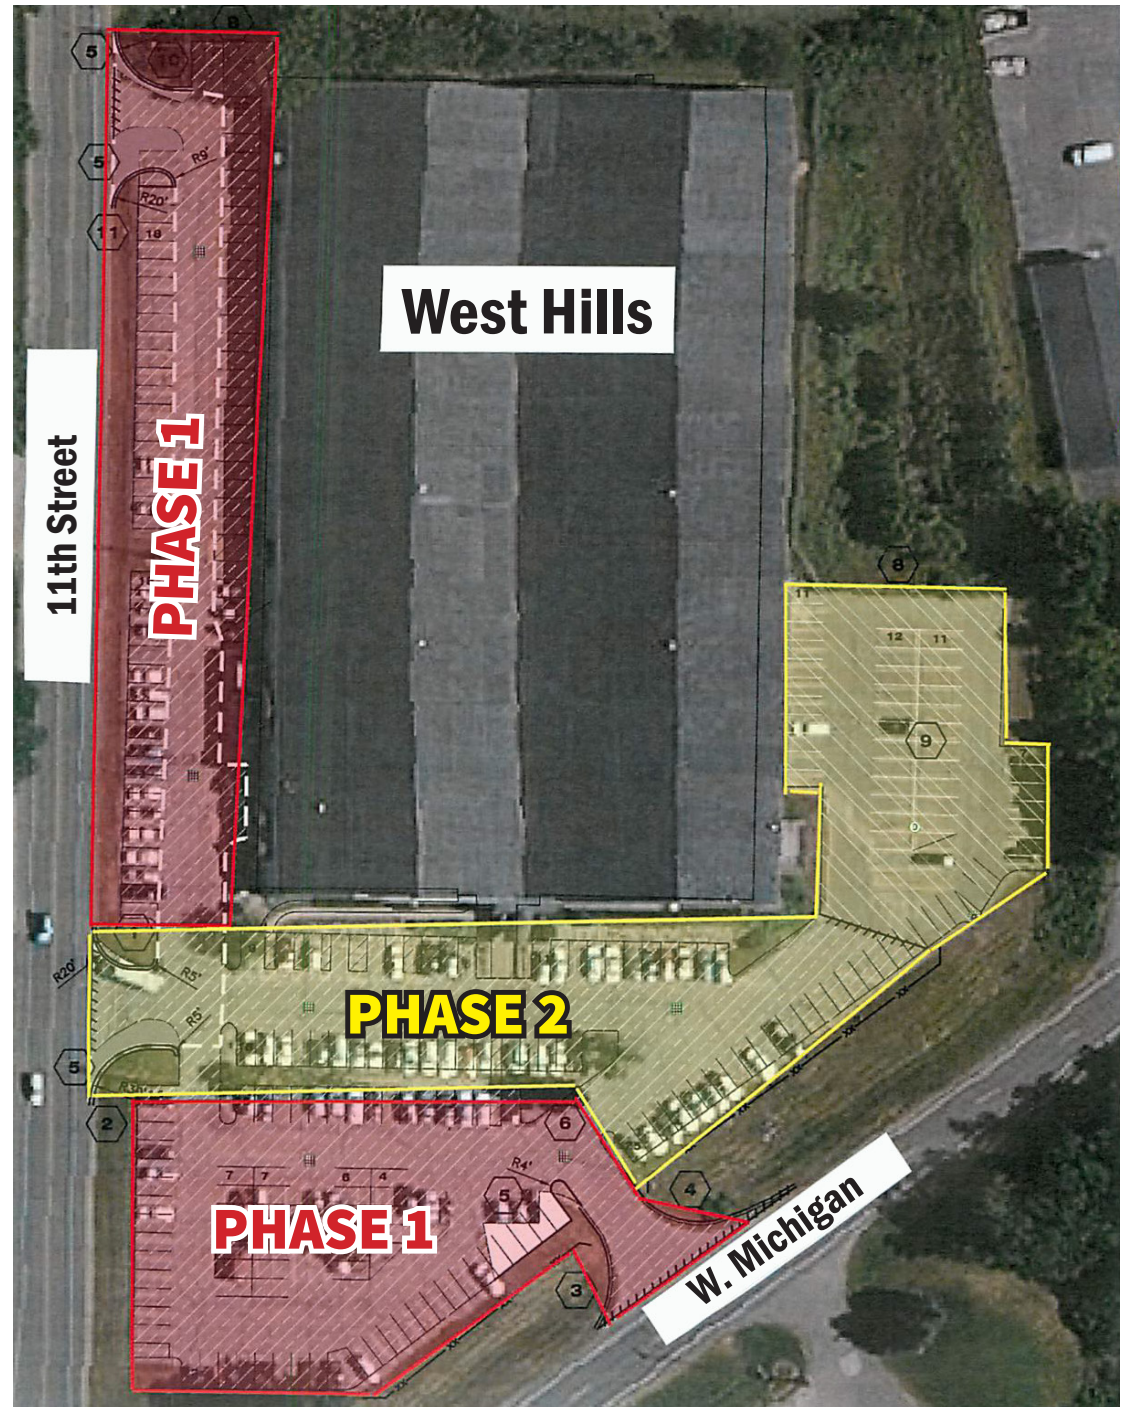

Weekdays 7 a.m.–1 p.m. and 5–6:30 p.m.
Saturday 8:30 a.m.–noon

Thank you for your patience and understanding of the challenges that come with remaining open while undergoing major parking lot construction.

PHASE 1: Enter lot from 11th St. area.
Marked in yellow is available parking.
